Our regional winter conference, TCX "All In", occurred December 28-January 1st. We praise God for all the ways He moved in people's lives through fellowship, the study and preaching of His Word, worship, & prayer.

- 1,508 students attended TCX; that is more than ever before.
- Students attended seminars to help know Christ and themselves better.

## Praises & Prayer Requests

- TCX was filled with rich fellowship & Biblical teaching that blessed the students & staff in attendance.
- We enjoyed a leadership planning retreat with student leaders at the start of the semester. We were greatly encouraged by the work God continues to do in their lives, which is also leading them to a deeper desire to introduce others to Christ and help them grow spiritually.
- There are two upcoming **PULSE** events this spring, one in Minot (April 17<sup>th</sup>) & one in New Town (Feb. 16<sup>th</sup>). Please check out [pulseoutreach.com](http://pulseoutreach.com) for all the exciting deals and how to be praying!!!

This semester we are doing "Dinner Groups" as a means to deepen community and provide a place for students to invite their friends for a free meal & a spiritual discussion through the book of Mark using a tool called "Christianity Explained". Please pray for deepening community within each group, good conversation, a welcoming environment, new faces & lives changed through the hearing of God's Word.
