DAVID & HELEN

McCORMACK

As in the past, time for Helen with the Trinity family on December 18 was not enough. There are too many to visit and too little time to fit everyone in, not to mention meeting the many new people. It is our hope that we can connect with many more of you during the next year. Thanks for your warm welcome! Helen's trip back to Germany was uneventful...the best kind of international flight!

School began again on January 9 with the passing of the baton from BFA's interim Director to our new Director. Please pray for Scott Jones and his family as they adjust to the language and culture of the area as well as the many tasks that have been put off "until the new Director comes."

Classes are in full swing and we are settling into our winter teaching mode. We are also enjoying our basketball and wrestling season. It's a good time to encourage the students who are playing as well as spend time with family and friends while we watch games. We've each had colds but they seem to be fading so we pray for good health in the coming weeks as we continue teaching.

Again, thank you for your kindnesses, prayers and support!

WOMEN'S CONFERENCE

EFCA's Resound Women's Ministry will launch Ordinary Influence in 2012, and we are so thankful to be a part of this unique evangelism training. It was written by women, for women and is both a small group experience (8 weeks total) and a conference coming to Bethel Church (in Fargo, ND) on **March 9 & 10**.

Question: If I am not currently attending an Ordinary Influence small group, will I still benefit from attending the conference?

Answer: Absolutely! Everyone who registers for the conference will receive the pre-conference (4 weeks) and post-conference (4 weeks) materials. You can go through the material on your own, or join an Ordinary Influence small group at another time. You will still greatly benefit from spending this time together!

Question: If I am currently attending a small group, will the conference simply be going over the same materials?

Answer: No! Our conference time together will uniquely consist of worship, fellowship and time to have honest dialogue leading to a fresh view of the simplicity of living out the passion of Jesus to seek and to save the lost through our Ordinary Influence.

Question: Is a lifestyle of sharing Jesus something that is reserved only for those in vocational ministry?

Answer: No! What if I told you that everyday ordinary you, living your ordinary life, could be used by God every day to help people find Jesus! Would you join us as we step into the mission field that is right beneath our two feet?

Registration is \$40 for Friday evening session and dessert, Saturday sessions with continental breakfast and lunch provided. Registration opens January 22nd online and in the Bethel office.
