NEW ADULT SUNDAY SCHOOL CLASS

We'll be studying Michael Lawrence's book, *Biblical Theology in the Life of the Church*. It has to do with learning the tools of interpreting the Bible, and then interpreting the basic overall themes in Scripture, then putting it all together in the context of ministering to each other within the church.

People attending the class will be encouraged to purchase a copy of the book:

EMANCIPATION

McCormacks

Can you believe it? It has been more than 4 years since you commissioned us to serve at Black Forest Academy. You have allowed us and supported us as your instruments to serve in world missions to Europe, Africa, and the Middle East.

Our students will return to BFA on January 12 for the spring semester. Our personal routines will be similar to those of other years except for the fact we must be planning for a year of "home assignment" starting this coming June. Since, God willing, we plan to return to BFA in July 2013, we hope to sub-let our apartment here. We will have to decide what must come back with us to the USA for the short term and what should remain here. We are happy to have several months to put plans in place, but we must keep our eyes open.

Helen enjoyed her recent visit with many of you along with her opportunity to spend time with her mother. We are thankful for modern communications which allow us to stay in touch even though the distance is great. This reminds us of our students' experience of being separated from their families for months at a time. Thank God for these parents who make great sacrifices for God's mission to the world. Pray for the students that they will sense a partnership in the work of their parents.

Thank you for your ongoing prayer and financial support.
